35mm Slide Projectors/Case

KINDERMANN #8021
Magic 1500
35mm Auto Focus Slide Projector, IR Remote Control

It has superb German optics and uses all European standard and LKM magazines, the standard of over one half the world.

- **AUTO FOCUS**: For correction of slides that may go out of focus range due to heat. (hand-focus the first slide, the projector does the rest)
- **4-CHANEL INFRA-RED REMOTE CONTROL with LASER POINTER**: For focusing slides and for forward & reverse slide change.
- **HALOGEN LAMP**: 24V/150W (FCS)
- **2.8/90mm MULTI-COATED LENS**: Interchangeable lenses of 50-150mm focal length are available.
- **2 FEET FOR HEIGHT ADJUSTMENT**
- **SINGLE SLIDE HOLDER**: Single slides can be projected without a magazine. Incorrect positioning of slides can be quickly corrected.
- **SLIDE-CONTROLLED DIAPHRAGM**: Blocks escaping light when there is no slide in the projection position.
- **RAPID SLIDE CHANGE**: Approx. one second. Reduces the dark pause and enables a smooth picture sequence.
- **FOCUS ADJUSTMENT WHEEL**: Manual focusing on the machine. Correct focus quickly achieved.

- **COOLING FAN**: Quiet and effective, ensures low slide temperature. If defective slide does get stuck, the cooling fan continues working.
- **LIGHTING SYSTEMS**: High-quality optics guarantee maximum illumination and brilliant projection.
- **UNIVERSAL TRANSPORT SYSTEM**: Accepts LKM, CS and universal magazines.
- **CONNECTING SOCKET**: For timer, tape and IR remote control.
- **INCLUDES SLIDE TRAY**

FKM801 2 x 2 Auto Focus Projector 8021
DL/FCS Replacement Lamp for 8021 FCS

KINDERMANN
Magic Screen IR Projector (FKM8098)

Project your slides without a separate screen and without darkening the room.

- Ready for presentation in a few seconds - wherever you wish
- Brilliant daylight projection on the built-in 10 x 10" monitor
- Wall projection at a short projection distance
- 60mm/F1.2.8, interchangeable lens
- 2-channel IR remote control
- 24V/150W halogen lamp
- Permanent autofocus
- Quick slide change
- Slide-controlled diaphragm (no slide - no light)
- Focusing wheel
- Overheating protection
- Uses LKM/Universal/CS trays

FKM8098 Magic Screen IR Projector w/lamp 8008

Replacement Lamp
DL/FCS For 8098, also for 1500 AV, AV100, AV150 FCS

KINDERMANN 66T Diafocus
2¼ x 2¼ Automatic Projector (FKM8016)

Can be controlled by external dissolve units, or used as a stand-alone, remote-controlled, single projector.

- Will stand up to the rigors of hard usage
- Two covers are reinforced with material to make the hinge last longer.

FSA301 Slide Projector Case

For added protection:
BFC998 Foam Sheet, 22" x 16" x 7/8"
Suitable for cutting to suit your needs.

PERSONAL SERVICE IS OUR #1 PRIORITY
KINDERMANN Slide Trays
Designed for Leitz and Kindermann projectors, these space-saving trays provide safe storage and convenience.

LKM Slide Trays: Accommodate slide mounts up to a thickness of 2mm. Can hold 80% more slides than standard magazines of the same size. Unique design holds slides in tray so they will not fall out in any position. 2 trays come in a plastic stackable storage box. Master: 10.

FKM062 Storage box containing (2) 60 slide capacity LKM trays 1181
FKM063 Storage box containing (2) 80 slide capacity LKM trays 1182

European Standard Slide Trays
Fit all European projectors. Hold glass-framed slides up to a thickness of 3.2mm. 2 trays come in a plastic stackable storage box. Master: 10.

FKM191 Storage box containing (2) 36 slide cap. Standard trays 1191
FKM192 Storage box containing (2) 50 slide cap. Standard trays 1192

2¼ x 2¼ Slide Trays

FKM169 2¼ x 2¼ slide tray
FKM171 Empty storage box for (2) 2¼ x 2¼ trays

Samigon® Projection Stands
Extremely solid and rigid. Non-skid, heavy-duty, ribbed rubber top is mounted on a 12" x 20" aluminum top. Holds up to 85 lbs, vibration resistant. Adjustable heavy-duty, rubber tipped, aluminum legs twist into slot under top. Unbreakable handle.

Ideal for:
- Slide, movie, overhead
- & opaque projectors
- TV Video Monitors
- Sound, Recorder and Speaker Equipment
- Multi Image programmers, etc.

Height range: 31-56", Top area: 12 x 22", Weight: 11lbs.

DSA203 Samigon Projection Stand

Pana-Vue®
80-Slide Trays for Carousel Projectors

FPA505 80-Slide Tray Ring w/ Ring
FPA507 80-Slide Tray Ring w/ Cover

Da-Lite/Welt Deluxe Projecto-Stand, #425
Deluxe model has oversized top that can hold two carousel or Ektographic projectors side by side or a 25" monitor. Holds 125lbs. with legs fully extended.

Specifications:
- Height range: 31½ - 56½"
- Top area: 17 x 25"
- KD size: 18 x 32"
- Weight: 12½ lbs.

DWS537 Deluxe Projecto-stand #425

Da-Lite/Welt Accessory Shelf #208
Convenient 14¼" x 22" shelf fits both 203 and 425 Projecto-Stands (shown attached to 203 Projecto-Stand). It provides ideal storage for VCRs, dissolve units, extra trays, and other support material. Attaches in seconds without tools.

DWS538 Accessory shelf #208

**Kindermann C.A.M. (Cut And Mount) Slide Mounting System**

State-of-the-Art slide mounting system for standard 35mm slides. Built-in magnifier with illuminated viewer. Reusable slide mount opens automatically when inserted into the mounter. Closes and locks the film in perfect alignment when withdrawn. May be used to mount Polaroid slides directly from the cartridge. Built-in self-sharpening rotary cutter produces clean precise cuts. Roller transport system moves film both forward and reverse and contacts only the perforated edges of the film. Picture area remains untouched by any part of the unit.

Comes in display carton with 40 slide mounts.

FKM1101  C.A.M. Slide Mounting System  1101

**Kindermann C.A.M. 2 x 2 Slide Mounts**

One piece glassless slide mount, plastic, 1.8mm thick. Hinged positioner allows easy insertion of slide by hand or with C.A.M. Mounter. Slide mounts have rounded corners for smooth dependable transport. Ideal for use in LKM slide trays and others that require thin mounts.

Master: 20.

FKM1102  Bx/100 Slide Mounts  1102

**Kindermann LKM Slide Mounting Kit**

FKM1105  Slide Mounting Kit

**Pakon Slide Mounting Kits**

Long considered one of the finest slide mounts available, Pakon slide mounts are designed for accurate, safe mounting that will not damage the film inserted in the mount. Molded of thin white plastic, they fit all standard projectors and slide trays including the 140 Carousel. You can mount film by hand using the convenient hand mounter which is included or in automated slide mounting systems.

DW VIEWMASKS Transparency Presentation Masks
The all in one presentation and filing system which combines the functions of the traditional black card mask and protective pocket but with added advantages:

• CRISP PRESENTATION: A lightweight, chemically inert, archival, transparent pocket with black masking of the transparency opening. Mask edges are crisp and clean with no black card "waste".

• ONE STEP LOADING: Transparencies are easily inserted and held securely in place by integral guides.

• CONVENIENT LABELING & FILING: A label compartment and card label strips enable recording of information for reference and convenient filing/retrieval. Less file space is taken up than with traditional methods.

• SECURITY: The Viewmask is available in two versions — one with a plain opening, and one with printed security grid preventing unauthorized duplication. Security versions can be sealed against unauthorized use with a heat sealer.

PERSONAL SERVICE IS OUR #1 PRIORITY
