Pana-Vue® Pana-Scan™ SLIDE & FILM SCANNER

35mm Slides & Negatives,
& 110 Negatives

The New Pana-Scan™ 35mm Slide & Negatives, & 110 Negative Scanner enables you to quickly and easily convert your cherished slides and negatives into digital images on your computer.

The Pana-Scan™ gives you an easy way to print, share, email, archive and digitally store all of your precious memories. The low cost Pana-Scan™ enables you to digitize your images in the comfort of your home or office without having to use outside services.

The Pana-Scan™ Scanner is compatible with Windows XP®, Vista®, Windows® 7 and Mac OSX 10.4.3 or higher operating systems and uses a USB 2.0 port on your computer for both communication and power.

The Pana-Scan™ comes complete with: USB cable to plug into your computer's USB 2.0 port, An ArcSoft Software Suite that allows you to capture, edit, crop & enhance your photos, 35mm Slide Holder, 35mm & 110 Negative Holders, and Cleaning Brush.
